The Hill at Whitemarsh is dedicated to the conservation of natural resources and the protection and improvement of our environment. Many environmental awareness programs are featured through area partnerships, including Morris Arboretum.

The Hill at Whitemarsh was conceived and developed by a group of local residents who formed the Whitemarsh Continuing Care Retirement Community in 2001 as a not-for-profit corporation. It is governed by a voluntary Board of Directors. The community, located on Flourtown and Thomas Roads, is on 96 acres, 56 of which were acquired from the adjoining Erdenheim Farm. The first resident was welcomed in March, 2007.
